HILLEL NEUER

Vancouver Hillel invites you to join us on Sunday, November 29, 2009, Hillel's 9th annual Gala, this year featuring a keynote address by Hillel Neuer, executive director of UN Watch, in Geneva.

Mr. Neuer, originally from Montreal, is a world-leading expert on the disproportionate attention and unfair treatment applied by the United Nations toward Israel. Mr. Neuer's speeches and writings have made him one of the most respected and articulate voices supporting the just application of UN Charter principles and informing the world about how these fundamental principles are often ignored or selectively upheld.

Mr. Neuer appears regularly before the United Nations Human Rights Council, intervening on behalf of Israel, for the victims of Darfur, the rights of women, political prisoners in Zimbabwe and Cuba, and the cause of Middle East peace.

YOU ARE CORDIALLY INVITED...
